Drink T40 Plus

The new Drink T Plus comes from the timeless line Drink Plus. A valid compromise between the most evolved compressor systems and traditional absorption ones.

Drink T40 Plus is the thermoelectric minibar with a capacity of 40 liters and reversible panel door. The absence of internal or external fans and the high quality thermoelectric plate make the minibar completely silent. The internal compartment has aluminium shelves and LED light. Available, as an optional, a practical 1.5 L bottle-holder balcony.

Technical features

Door type	Reversible panel door	Installation type	Built-in, Free installation
Cooling technology	Thermoelectric	Refrigerant gas	R600a
Colour	Black	Energy efficiency class	F
